

# LIFE IS BETTER

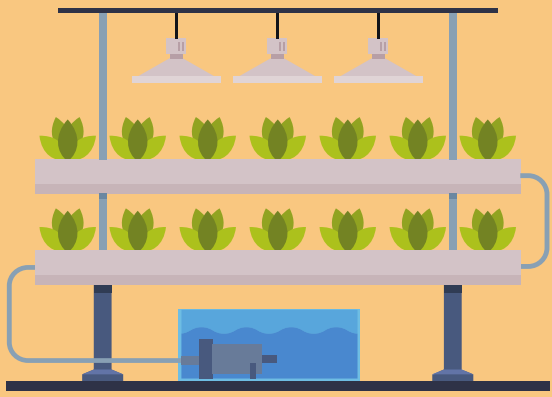

## On the Farm

### 2023 Standard Itinerary

Who doesn't love to have to have freshly harvested greens being served to them?  
What's better, you get to learn Home Gardening Knowledge from the farmer!

### Hydroponic Tour + Salad

Experience and tour Singapore's Largest hydroponic showcase greenhouse. Learn about the different hydroponics farming methods we use in our farm. We will also freshly harvest our produce and mix it into a salad bowl for your participants to consume.

### Hydroponic Harvesting

At the end of the tour each participants will get to experience harvesting their own hydroponic vegetables as takeaway

### Aloe Vera Demonstration + Aloe Vera Drink

Learn about Aloe Vera, its properties, beneficial use and how do you correctly extract the Jelly out with ease. What's best, your participants will get to taste our own Honey Aloe Vera Drink made with the Jelly!
